

## Payment methods on [www.fishingfloats.eu](http://www.fishingfloats.eu)

In this description you can read the most important informations about the payment methods on our website.

Through the ordering process you can choose the way of the payment of your order. We offer 3 several options:

- COD payment (available only in Hungary)
- PayPal
- Credit card

If you want to change the payment method, after you have sent the order, contact us [here](#).

### 1. COD payment:

COD payment means you will pay for your package, when you take over it from the courier. This method is available only in Hungary. If you live near the Hungarian border, we can send the package to there to a Hungarian Post Office, so you can take over the package with COD payment (HUF) and with the Hungarian lower delivery price.

For Hungarian users we advise our Hungarian website to order from with more products and options: [www.fogashorgaszbolt.hu](http://www.fogashorgaszbolt.hu)

### 2. PayPal / Credit card:

PayPal is the most popular and most widely used e-commerce international, financial services company. You can pay via PayPal account (if you have any) or you can pay using PayPal (and its guaranteed safe area) by credit card as well. More information and detailed description can be found on [www.paypal.com](http://www.paypal.com).

After you have filled in the invoicement data in the "Virtual Checkout", choose the online payment method (PayPal / Credit card) in the related "Shipping and payment" form. If you are ready, click on the "Send order" button, and you will be redirected to PayPal, which is a secure and encrypted payment channel.

On the next picture you will see the secure website of PayPal. Check your browsers headline, the connection must be "https://", that's means you are on a secure channel.

In the left column you can see the order summary with the owing amount. In the right column you can choose the payment method. You can pay by PayPal or by Credit card.

Your order ID

A screenshot of the PayPal checkout page. On the left, there is a 'Your order summary' box. It contains a table with two columns: 'Descriptions' and 'Amount'. The first row shows 'ID 20140006' with an amount of '2,200'. Below this, it says 'Item price: 2,200' and 'Quantity: 1'. The 'Item total' is '2,200'. At the bottom, it says 'Total 2,200 HUF'. A red arrow points from the text 'Your order ID' to the 'ID 20140006' in the table. Another red arrow points from the text 'The amount of the order' to the 'Total 2,200 HUF'. On the right, there is a 'Choose a way to pay' section. It has two main options: 'Pay with my PayPal account' and 'Pay with my credit or debit card'. Both options are circled in red. A red arrow points from the text 'Payment methods' to the 'Pay with my PayPal account' option. Below the 'Pay with my PayPal account' option, there is a login form with fields for 'Email' and 'PayPal password', a checkbox for 'This is a private computer', a 'Log in' button, and a link for 'Forgot your email or password?'. At the bottom of the 'Choose a way to pay' section, there is a link for 'Optional: sign up for PayPal for faster future checkout'.

If you choose PayPal, log in with your existing account. You will see the available amount in your account. If you don't have enough money on your PayPal account, you can pay the remainder by Credit card which is connected to your PayPal account.

If you want to pay by Credit card, choose this option on the PayPal page. You will see the following form:

▼ **Pay with my credit or debit card**
